Considerations:

- Valid October 1, 2024, through September 30, 2025.
- Households with members who are disabled or age 60 years and over may be eligible even with higher gross incomes.
- Applying takes about 20 minutes and can be done over the phone.
- No documentation is required to start the application process.
- Contact OHS after requesting SNAP benefits to request an interview and inquire about any documents that may be needed for processing one's application.
- Parents and legal guardians who are undocumented can still apply for SNAP benefits for their qualifying children.

If in doubt, apply!
